Remembering the Past, Seeing the Future, Living the Present

Don't Quit

"When things go wrong as they sometimes will
When the road you're trudging seems all up hill.
When funds are low and the debts are high.
And you want to smile, but you have to sigh.
When care is pressing you down a bit.
Rest, if you must, but don't you quit.
Life is queer with its twists and turns.
As everyone of us sometimes learns.
And many a failure turns about
When he might have won had he stuck it out:

Don't give up though the pace seems slow -
You may succeed with another blow.
Success is failure turned inside out -
The silver tint of the clouds of doubt.
And you never can tell how close you are.
It may be near when it seems so far:
So stick to the fight when you're hardest hit
It's when things seem worst that you must not QUIT.

The Challenge

Let others lead small lives,
but not you.
Let others argue over small things,
but not you.
Let others cry over small hurts,
but not you.
Let others leave their future
in someone else's hands,
but not you.

Carry On

It's easy to fight when everything's right,
And you're mad with the thrill and the glory;
It's easy to cheer when victory's near,
And wallow in fields that are gory.
It's a different song when everything's wrong.
When you're feeling infernally mortal;
When it's ten against one, and hope there is none,
Buck up, little soldier, and chortle:

Carry on! Carry on!
There isn't much punch in your blow.
You're glaring and staring and hitting out blind;
You're muddy and bloody, but never mind.
Carry on! Carry on!
You haven't the ghost of a show.
It's looking like death, but while you've a breath,
Carry on, my son! Carry on!

And so in the strife of the battle of life
It's easy to fight when you're winning;
It's easy to slave, and starve and be brave,
When the dawn of success is beginning.
But the man who can meet despair and defeat
With a cheer, there's a man of God's choosing;
The man who can fight to Heaven's own height
Is the man who can fight when he's losing.

Carry on! Carry on!
Things never were looming so black.
But show that you haven't a cowardly streak,
And though you're unlucky you never are weak.
Carry on! Carry on!
Brace up for another attack.
It's looking like hell, but - you never can tell;
Carry on, old man! Carry on!

There are some who drift out in the deserts of doubt,
And some who in brutishness wallow;
There are others, I know, who in piety go
Because of a Heaven to follow.
But to labor with zest, and to give of your best,
For the sweetness and joy of the giving;
To help folks along with a hand and a song;
Why, there's the real sunshine of living.

Carry on! Carry on!
Fight the good fight and true;
Believe in you mission, greet life with a cheer;
There's big work to do, and that's why you are here.
Carry on! Carry on!
Let the world be the better for you;
And at last when you die, let this be your cry:
Carry on, my soul! Carry on!

Student Life Decisions

"I found every single successful person I've spoken to had a clear, specific unequivocal decision that they were not going to fail. Some people make that decision at 15 and some make it later in life."

"The better a man is, the more mistakes he will make, for a top-level job a man who was not making mistakes..."

"Whatever you believe with emotions becomes your innermost beliefs and convictions."

"When you cannot make up your mind which of two things to choose the bolder."

"Resolve to pay any price or make any sacrifice to achieve your goal."

"One of our greatest gifts is our intuition. It is a gift that cannot be taught and trust it."

"A mediocre idea that generates enthusiasm is a waste of time."

Graduation 2004

As we say goodbye to the Class of 2004 it is a time to reflect on all the memories we share with those who are moving on to bigger and better things. Although we will sorely miss our fellow classmates, they will always have their memories of Lenoir-Rhyne to reflect back upon. While the class of 2004 eagerly awaits new opportunities that will be offered to them, we all must remember that a new class follows, and those who are still at L-R must help the new recruits. The 2004 key speaker was Mark Hanson, the presiding Bishop of the ECLA. He spoke of the future and the promise that every L-R grad has. We wish the best to the class of 2004 and remember to never forget your roots.

Play Makers

Play Makers is the drama company on L-R's campus. They perform two plays a year, along with midnight theater which are all student run. The fall play was The Big Revenge and the spring play was James and the Giant Peach. Many actor and actresses come out and make a name for themselves on the stage. Singing, dancing, acting, and special effects are all common occurrences during one of the plays. Lots of time practicing and learning parts is a necessity for success. Advisor Joe Sturgeon, combines talent and energy to create plays for everyone to enjoy.

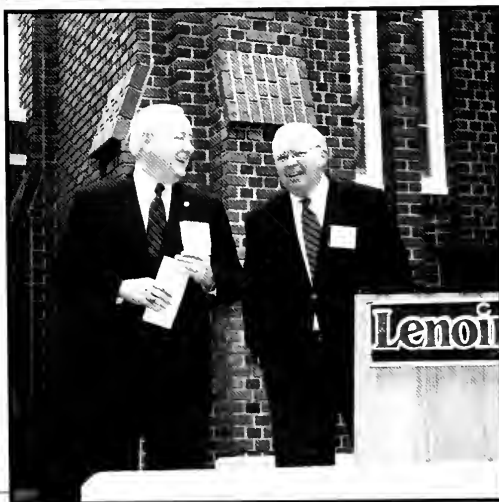

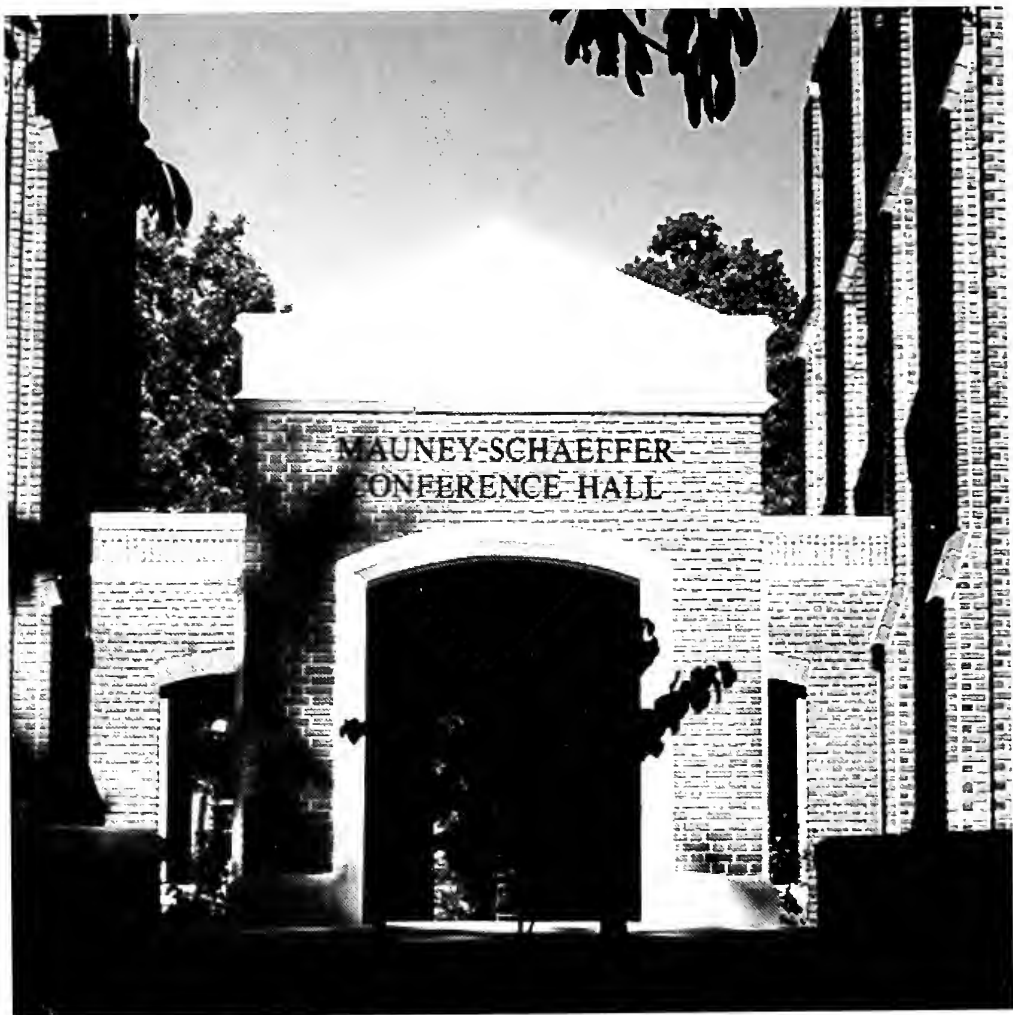

Homecoming Parade

An annual event at Lenoir-Rhyne is Homecoming week, capped off by the homecoming parade. There were many interesting floats this year, and all were somehow related to a common theme. The parade was a huge success, with many different organizations and Greeks participating. There were many costumes and lots of fun that went into the decorating process. Hard work and a commitment for success helped many groups make superb floats. The overall winner for best float belonged to the HANDS group with their John Deer made trucks.

Mauney-Schaffer

The Mauney-Schaffer Building was rededicated this fall with major upgrades and improvements. The building was built in 1928. For many years, students lived within the confines of the buildings, but recently they had deteriorated to a point that repair was needed. The new and improved facility will be used for offices by several schools and for conferences. Many alumni gave generously for improvements and repairs to a building that was part of L-R years before they were.

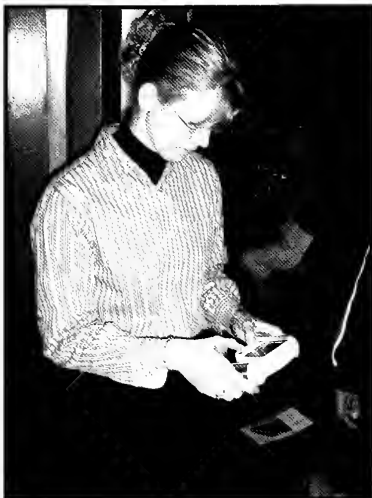

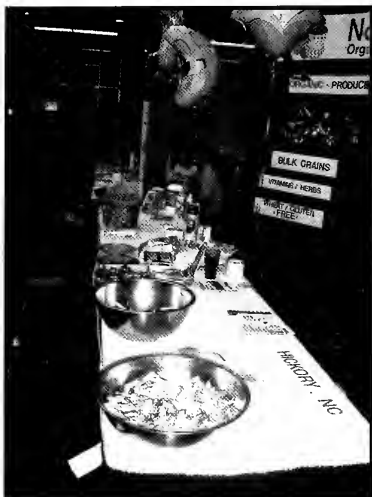

Study Abroad

Last year many students had the unique opportunity to study abroad. Students decided to travel to countries all over the world including Australia, China, England, Mexico, and Italy for a semester. Those who could not study abroad for a semester traveled on a class trip or in the summer partook in the semester at sea program. Studying abroad is a unique and fun experience for any L-R student who participates. Adapting to a foreign culture firsthand allows students to develop an entirely new perspective about themselves and the world around them. Expanding horizons with a semester abroad demonstrates a sense of adventure, curiosity and flexibility. There are scholarships and grants available to those who cannot afford the cost. During the past semester seven students studied abroad in places from Australia to England.

Health Fair

This year the health fair exposed students to all kinds of healthy yet delicious dishes. There were many low carb and low fat foods to try. There was prizes and give aways. You could even check you blood pressure and body fat percentage. Students enjoyed the creative dishes and free food giveaways. There were many stations where students could learn interesting facts about different foods and then sample them. Overall the Health Fair was a huge success.

Jazz Ensemble Choir and Visiting Writers

The college's jazz program is charting an ambitious agenda. The group plans to submit tapes to Essentially Ellington, a competition run by Jazz at Lincoln Center in New York City. "The students are rising to the challenge," Nigrelli states. "There are many high quality instrumental music programs in this area, and these students demonstrate this fact."

Throughout the academic year, 16 area high school musicians meet weekly with Dr. Christopher Nigrelli, assistant professor of music, to prepare advanced level jazz music for performance. The group, known as the L-R Big Band, will serve as the centerpiece for the college's new jazz program slated to begin fall of 2005. The program will help supplement area high school music programs by providing support in the education of jazz and other related musical forms.

Every month Lenoir-Rhyne plays host to a visiting writer. There have been some very famous writers to lecture and sign books at L-R. From Kathy Riechs and Shamus Heaney to Alice Walker and Anne Fadiman all have been part of the L-R experience.

The Lenoir-Rhyne A Cappella Choir, Western Piedmont Symphony and Fletcher Opera Institute soloists performed Handel's "Messiah, a Sacred Oratorio in Three Parts. The A Cappella Choir is under the direction of Dr. Paul D. Weber, associate professor of music. Every voice range can be heard. A tryout is required to see if you have the proper range to be in choir.

Organizations Performance

"You are not here merely to make a living. You are here in vision, with a finer spirit of hope and achievement. You are you forget the errand."

"Don't waste life in doubts and fears; spend yourself on mance of this hour's duties will be the best preparation

"Being relaxed, at peace with yourself, confident, keys to successful performance in almost everything."

"It is our individual performances, no matter how determine how well ordered the world may become."

"I know the price of success: dedication, hard to see happen."

"What we think or what we believe is, in the is what we do."

"There's no such thing as coulda, shoulda, or

Football

This year's football team played a very disciplined game of football. Through the first seven weeks of the season Coach Hicks kept his team in every game. Their victories this year included wins over conference opponents Newberry and Wingate. There were many heartbreaking losses including an overtime loss to Kentucky State in front of the home crowd. The Bears look forward to a strong productive season next year in hopes of improving on the accomplishments of this year.

Volleyball

The volleyball team had an outstanding year which included their first ever conference championship with a 12-2 conference record and a 27-8 overall record. The ladies gelled and seemed to come up with the big play whenever it was needed. Although the team was small, their desire was huge and they played superbly. With timely spikes, sets, and serves, the Bears destroyed opponents while having a fun time in the process. Congrats to the new conference champions: the Lenoir-Rhyne volleyball team.

As the team continues to grow in size it also grows in respect. For the second consecutive year the men's cross country team finished second in the conference and second in regionals earning them a trip to the Division II National Championship in Indiana. Over the last few years this team has evolved from a pretender to a contender thanks in large part to Coach Jason Stewart and his recruiting techniques.

Women's Cross Country

Although plagued by injuries, the women's cross country team made the most out of their year. Each person set goals they hoped to accomplish and many did. There was only three races in which the ladies fielded enough runners to have a team score, but they worked hard all season to put forth great effort where they could. With many of the ladies returning next year, they are optimistic about their chances of doing well in the future.

Men's Soccer

The men's soccer team started the year strong with a 6-2-1 record. Unfortunately, that was the end of their run as they lost many close games, including conference games to Newberry and Mars Hill. With the exception of leaders Blake Powell and Chris Penley the team has no seniors and is looking forward to a strong performance next year. Injuries and untimely mistakes led to many of the team's heartbreaking losses. The men look to rebound and have an impressive season in 2005.

Women's Soccer

The women's soccer team had a roller coaster season with many highs and lows. Their overall record does not tell the story of how many close, hard fought contests they lost. The loss of Julie Crosby forced the Lady Bears to make good use of their freshmen goalie class. Senior Captain Julie Dodds provided leadership and strength to a young team that showed great promise all year. With a conference win against Mars Hill and a tie against Catawba, along with four one goal losses, the Bears proved they can play with anyone in the conference. When the season begins next year, the women's soccer team will be ready and up to the challenge of becoming conference champs.

Men's Golf

Although their actual competitive season is in the spring, the men's golf team has already played in some fall tournaments. With a strong showing at the Billy Joe Patton tournament, it looks as though the men will be competitive during their season. The team is gelling together, playing better every day with fierce competition between each other to see where they rank on the team.

Women's Golf

The women's golf team has won the past two SAC conference championships and look to three peat this year. Fall season results show that the women appear to be in good shape to do just that. With a growing team and senior leadership from Emily Allen and Carlie Gordon, the women look poised for another great year. A large freshman class has contributed nicely to the seasoned veterans. If the Lady Bears continue to perform at their highest level, they should be number one once again in the SAC.

Men's Basketball

The men's basketball team had a good year with a second place standing in conference play. Many young players have contributed to the team's success. The Bears went undefeated at home against conference opponents this season and ended 9-5 in conference play. With high hopes of becoming conference champions again the Bears pulled off a hard fought semi-final game against Presbyterian before falling in the final to Tusculum ending their shot at their third straight conference title.

Baseball

The baseball team this year is off to a good start. They are working hard and gelling as a team. They won their first two conference games over Mas Hill but have stumbled lately. Overall they have won more than they have lost. As the conference schedule looms ahead they will need a hard push to finish near the top of the conference. With dominant wins over Coker the Bears have what it takes to go along way this year.

Softball

The softball team is off to a good start with a 17-6-1 record. The ladies are red hot with seven straight victories and twelve of thirteen. It is even more impressive when you consider they only have fifteen women on the roster and only one is a senior. These ladies are a fierce and determined bunch who should fair very well when conference play starts shortly.

Cheerleading

Cheerleaders provide inspiration and support for fans and players alike. Lenoir-Rhyne cheerleaders are no different as they work day in and out to come up with the best cheers that will involve the crowd to increase the energy and enthusiasm for the game. With rigorous workouts and routines these men and women put forth great effort to ensure that the fans enjoy the game. Thank you cheerleaders for all of your hard work and commitment to the game.

Women's Tennis

This year Lenoir-Rhyne welcomed back women's tennis at the collegiate level. Since the addition on the McCrorie Center there have been no tennis courts at L-R. Now a plan has been set in action for new courts and new teams. Men' tennis is scheduled to come back to L-R next year. The women have played in three tournaments so far and have unfortunately been shut out. With continued strong play and hard work these ladies will soon be a force to be reckoned with.

The team gathers together for prayer and thought on their upcoming match.

This year the ultimate frisbee team is at full force. They have already competed in one tournament and will soon be in many others. This is a small but dedicated group of individuals who work as a team to try and score. They practice two to three times a week and any one is welcome to come out and play. This is a club that has fun yet is competitive. So if you feel like haveing some fun one afternoon look for the group throwing a frisbee.

There are many sports for students to enjoy in the leisure time. You don't have to be a great athlete to participate on a team. Sports offered include: flag football, softball, soccer, basketball, dodgeball, kick ball, swimming, and water volleyball. Get together with some friends and join a team.

Athletic Training

CARLA A. RUDISILL LIBRARY
LENOIR-RHYNE COLLEGE

The athletic trainers work diligently to help make sure athletes from all different sports are in the best shape they can be going into a game. They help to stretch them and give them water when needed. They stand by in case of an accident and are trained to take care of almost anything. Without their help athletes would suffer through many more aches and pains. Although they may be under appreciated their work to ensure the well being of others deserves recognition.

Capturing Lenoir-Rhyne

One highly anticipated event at Lenoir-Rhyne is snow and hopefully a snow nature's gift. Although snow is an irregularity at L-R we appreciate the few other games in the snow, but be careful if you are out driving as it can be

The 2004 election was a tight race that was not decided until after the election was over. George W. Bush, was reelected as President of the United States defeating John Kerry. Debate from both the Republicans and Democrats occurred at Lenoir-Rhyne long into the night with handouts to calculate state support and electoral voting. Guest speakers gave their input and those working on campaigns lobbied for their politician.

Capturing Lenoir-Rhyne

Homecoming weekend features an event that is unpublicized but much anticipated. The annual toilet papering of the college is an event that many students participate in. Unfortunately clean up costs can be expansive. Students grab toilet paper, paper towels, and any other product to roll the campus in. Often friends cars fall victim to the crime. This event brings unity to the college in more ways then one. First students enjoy rolling the school together tthen they enjoy the long hours of cleaning it up the next day.

Best All Around Male

Thomas Baker

Thomas Baker is a well rounded student. He stands for what is good at Lenoir-Rhyne, During his four years at L-R Thomas had been a resident assistant, member of the Luthern Student Movement, Theta Xi, honor academy member, and intramural player. He has traveled to Ireland and with the Broyhill scholars program. He has an outstanding 3.5 grade point average as an English major. He is from Greensboro, NC and plans to attend grad school at UNCG. He is a fine example of a dedicated hard working Lenoir-Rhyne student who has mixed activities with his studies producing great success making him the year's best all around male.

Crystal Clary

Crystal Clary is a senior from Phoebus, Virginia. She is a very involved student. Her best known accomplishment is being a first team All American in basketball. There is much more to Crystal than basketball, though as she is a member of the track team and the Vice President of the Black Student Movement. She has also been a member of FCA and the sociology club. She is a sociology major with a 2.8 GPA. Crystal transferred to L-R from Cambell University. Her future dreams are to play basketball and become a probation parole officer. She also has the extra responsibility of taking care of her two-year-old daughter Emauni. For all these reasons Crystal is this year's best all around female.

Kappa Delta

The Kappa Delta Sorority was established on October 23, 1897 by four women at the State Female Normal School which has since become Longwood University. Lenoir-Rhyne's chapter of Kappa Delta consists of fifty-five members. These ladies work in correlation with Girl Scouts for their service project. Famous Kappa Delta's include Pearl Buck, the first American woman to win the Nobel Prize in literature; she also won a Pulitzer. Bonnie Dunbar, a space shuttle astronaut who was one of five women inducted into the Women in Technology International Hall of Fame. Donna Stove, founder and first president of Prevent Child Abuse America.

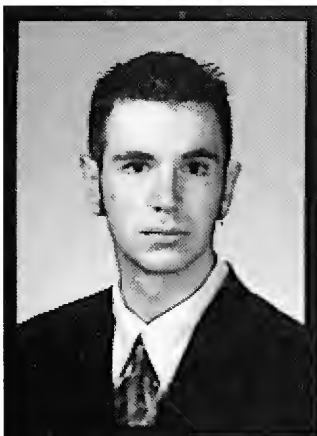

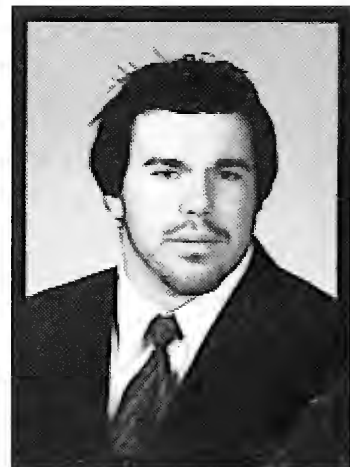

Pi Kappa Phi

The Pi Kappa Phi organization dates back to December 10, 1904 at the College of Charleston and was founded by five members. After going through much turmoil last year the Pi Kappa Phi chapter at Lenoir-Rhyne is back and going strong. With seven members the Pi Kappa Phi's are recruiting new members regularly to strengthen their chapter. Service projects for the Lenoir-Rhyne chapter of Pi Kappa Phi include Push America. Famous Pi Kaps include: Joe Sewell, a professional baseball player who is known as the hardest to strike out in history. Malcolm Johnson, the 1949 Pulitzer Prize winner, and Randy Owen, the lead singer of Alabama.

President's Page

This year can be remembered for many big moments, and you will see them captured on the pages of the HACAWA. Each of us has our favorite times and events that distinguish our recollections of 2004-05. To me the greatness of Lenoir-Rhyne was captured when April Huffman finished 10th in the national Phi Beta Lambda competition, and Crystal Clary was named the first team All-American center in basketball. Some will recall how Lenoir-Rhyne established itself as a national leader in technology when the wireless computer network was initiated. We were all inspired by the many distinguished individuals who visited our campus and interacted with faculty and students. Those include William Seidman, former chair of the FDIC and Chief of Staff for Gerald Ford, as well as internationally known author Alice Walker.

We rededicated the Mauney-Schaeffer Conference Hall this year after converting the old residence halls into state-of-the-art academic facilities. This is also the year we established the Thomas W. Reese Institute for the Conservation of Natural Resources through a very generous donation of \$3,000,000 from Thomas Reese. In addition, Lenoir-Rhyne was the beneficiary of a \$1,000,000 gift from the Glen and Adie Ketner family to create the first endowed professorship in nursing. These important commitments will benefit generations of students.

With all of the special public events that occurred this academic year, the most memorable moments are the personal ones. Each student, each faculty member, and each staff member will cherish some very personal times when they interacted with others on campus. It is our hope that this addition of the HACAWA will help to capture those special times as we finish the year as well as preserve our favorite memories throughout the years to come.

Best wishes to all,

Wayne B. Powell. Ph.D.

Interdisciplinary Studies Programs

INTERDISCIPLINARY STUDIES PROGRAM

The Interdisciplinary Studies major is designed to allow students, in close consultation with faculty, to design programs of study that are not offered in one of the traditional majors. A General Studies major must differ significantly from existing programs of study and must be approved by the College's Academic Program Committee, which is composed of faculty, students, and the Dean of Academic Programs. Pre-approved areas of concentration for the General Studies major are listed below. The Academic Program Committee may approve other areas of concentration if they are submitted one year prior to the proposed graduation date. Such requests should be submitted with faculty support to the Office of Academic Affairs. A request for a General Studies major must contain a clearly articulated and cohesive program of study supported by faculty at Lenoir-Rhyne College. In addition to all core requirements and the College's minimum of 128 hours, the program of study must meet the following requirements:

- at least 24 hours in a chosen primary academic division;
- at least 12 hours from one program within the primary academic division;
- at least 12 hours in each of two other academic divisions;
- at least 12 hours (excluding REL 400 and SCI 300) at the 300/400 level at Lenoir-Rhyne College.

MAJOR: Lenoir-Rhyne College offers a major in Interdisciplinary Studies. Students may select an area of concentration that has already been developed or formulate another concentration. An Interdisciplinary Studies major earns a B.A. degree.

To earn a degree at Lenoir-Rhyne College, students must complete major courses, the L-R core courses, and if needed, elective courses to equal a minimum of 128 hours. Some majors require more hours.

COMMUNICATION

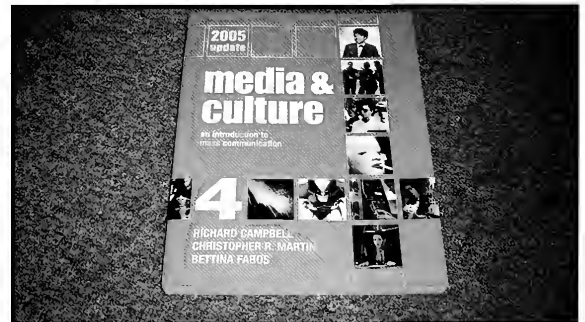

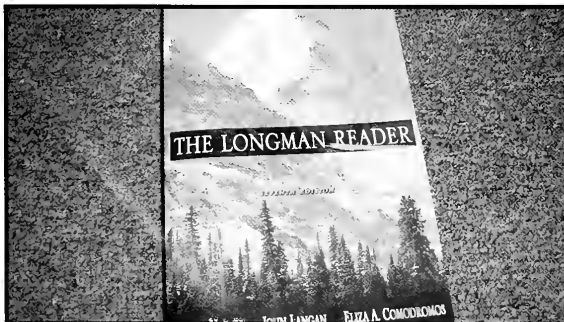

The Communication major provides students with the broad background necessary for successful entry into the field of communication or for further work in communication at the graduate level. A common core of courses gives majors an understanding of both the history of the field and the ethical responsibilities of professional communicators in our society. These foundation courses also provide specific skills in writing, speaking, broadcasting, and group communications. Specialized tracks in corporate communication, electronic media, and print media can be chosen to suit the student's interests and career goals. Both internships and courses in the tracks provide practical, professional experience in these areas. The Communication major earns a B.A. degree

ENGLISH

The courses offered in the English curriculum are designed to develop students' abilities to express their thoughts clearly, coherently, and effectively in oral and written form; to familiarize them with English, American, and World literature; to develop their analytical skills, critical judgment, and aesthetic appreciation of quality literature; and to help them achieve deeper personal insight and self-awareness. The English major earns a B.A. degree. In addition, English, in conjunction with other academic programs, offers General Studies programs in American Studies and Comparative Literature. Please refer to the General Studies section of the catalog.

THEATRE

Grounded in the liberal arts tradition and tailored to fit a student's individual needs, the Theatre Arts programs at Lenoir-Rhyne College are intensive and rewarding. Students pursue course work in dramatic theory, history, and literature as well as various studio courses in all phases of production work (performance, stage and camera, scenography, stage technology and management). Supplementing class work is a rigorous production program involving mainstage shows, student laboratories, and touring programs. Full-time faculty instruct and produce for the stage. Visiting artists and practicing professionals teach during limited residencies and workshops. Internship programs with regional theatres, career counseling and job placement, semester abroad, honors program and teacher licensure are available. The Theatre major earns a B.A. degree.

COMPUTING SCIENCES

The Computer Science major is designed to provide students with a scientific foundation in the study of computers and their uses. Course work includes a balance between the development of science and mathematical applications and the necessary theoretical fundamentals for the study of algorithms, programming, and the design of computer systems. A major in Computer Science prepares students for positions in business, industry, education, or graduate programs in Computer Science. The Computer Science major earns a B.S. degree.

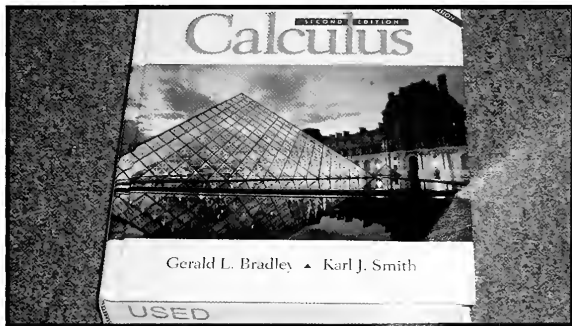

The Computer Information Systems major combines applicable concepts from Computer Science with appropriate business and management concepts to provide students with the capabilities in computer technology necessary in computing workplaces. Course work includes a balance among the application of computing in business and management, the study of programming, and the design of computer systems. The Computer Information Systems major earns a B.A. degree.

In addition, Computing Sciences in conjunction with Art, offers a General Studies major in Computer Aided Graphic Design. Please refer to the General Studies Section of the catalog.

MAJORS: COMPUTER SCIENCE, COMPUTER INFORMATION SYSTEMS. MATHEMATICS

The courses in Mathematics are designed to convey to students the logical structure of mathematics and prepare students to apply mathematical models to various areas of problem solving and analysis. ARTEducation

The Art Education major is designed to prepare students with special interest and aptitudes in the visual arts to teach in the public schools. With the fulfillment of the education requirements, the major leads to licensure in grades K-12. The major may also be used as a first step to graduate school for those interested in pursuing a career in studio art or those seeking to teach at the college level. The Art Education major earns a B.A. degree.

MUSIC

The Bachelor of Music Education degree qualifies the student to teach music in the public schools with certification (K-12) by the State of North Carolina. This degree is accredited nationally by NCATE and in North Carolina by the NCDPI. The Bachelor of Arts in Music Performance prepares the student with a performing proficiency in organ, piano, voice, or any of the orchestral instruments (brass, winds, strings, percussion). Students preparing for graduate school in music or a professional career in music generally follow the performance major. The Bachelor of Arts degree with Music Major is designed for students who want a general aesthetic background in the history, theory, and appreciation of music. This particular program allows students to combine areas of other interest with music such as Theatre, Christian Education, or Business. The Bachelor of Arts in Sacred Music is designed for students who want to major in Sacred Music or pursue an advanced degree in music. Performance concentrations will focus on keyboard (organ or piano), voice, or orchestral instrument.

HUMAN OCCUPATIONAL STUDIES/OCCUPATIONAL THERAPY

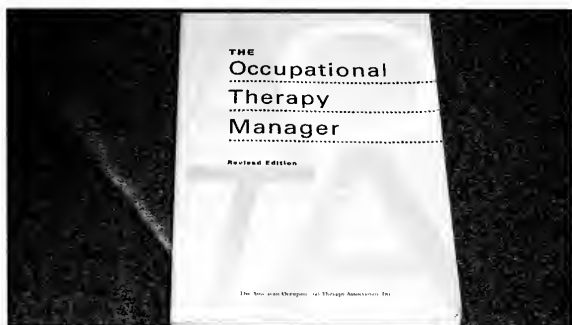

The Occupational Therapy Program was initially accredited by the Accreditation Council for Occupational Therapy Education in December of 1996 and re-accredited in December 2001. Individuals with questions about accreditation status may call or write to the AOTA, 4720 Montgomery Lane, Bethesda, MD, 20824-1220, (301) 652- 2682. Graduates who obtain a degree in Occupational Therapy are eligible for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR). Most states require licensure to practice; however, state licenses are usually granted based on the results of the NBCOT Certification Examination. The Occupational Therapy major earns a B.S. degree until August 2006. After that date, students must complete the M.S. degree.

HEALTH AND EXERCISE SCIENCE

The Health and Exercise Science major offers professional preparation leading to careers in a variety of employment settings that offer health, wellness, fitness, or related programs. Graduates will have the skills needed to assess, plan, implement, and evaluate programs in settings such as public and private schools, community or healthcare organizations and corporate workplaces, or professional athletics. Additionally, this program provides the foundation for advanced study and research in related health fields. A Health and Exercise major earns a B.S. degree.

NURSING

The purpose of Lenoir-Rhyne College's baccalaureate program in nursing is to prepare students to be professional nurses incorporating a Christian caring approach. The program provides a balance of study in both liberal arts and professional nursing, drawing from the humanities and from biological, social, and behavioral sciences. In the Nursing major, students gain expertise using a holistic approach in a variety of settings to maximize their clients' health potential. Students are prepared as generalists to provide nursing care for individuals, families, and communities using therapeutic communication, nursing process, and critical thinking skills. Graduates, prepared in professional care roles, are able to pursue graduate study. The Nursing major earns a B.S. degree.

HISTORY

The History program seeks to provide a well-balanced and intellectually challenging major, flexible enough to meet the needs of students seeking a broad liberal arts background, a teaching career, admission to graduate or professional school, or work in the areas of applied or public history. With its focus on critical thinking and communication skills, History contributes to the liberal arts curriculum and intellectual engagement by appropriate participation in the Core Curriculum, and serves those students taking history courses as electives, as a minor area, or in conjunction with other majors. The History major earns a B.A. degree.

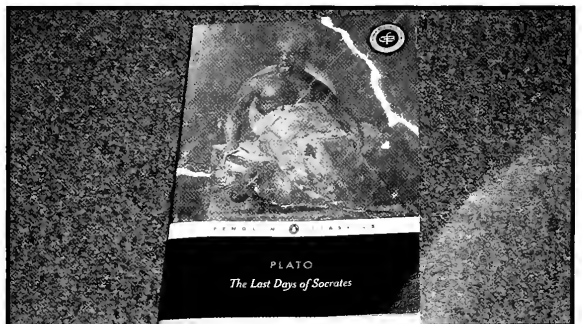

In addition, History in conjunction with other academic programs, offers General Studies majors in American Studies and International Relations. Please refer to the General Studies section of the catalog.

PHILOSOPHY

Courses in Philosophy seek to enrich students' appreciation of the history of philosophical reflection and to guide their comprehension and critical evaluation of current issues and trends. The Philosophy major provides a sound foundation for further study in Philosophy, the Social Sciences, Law, Theology, and related fields. The Philosophy major earns a B.A. degree.

RELIGIOUS STUDIES

Courses in Religious Studies are designed to help individuals clarify their religious convictions and life goals, as well as to provide preparation for persons who anticipate further study. The Religious Studies major earns a B.A. degree.

Colophon

2005 HACAWA

The 2005 HACAWA was published by Jostens publishing company. The student portraits were taken by Carolina Photography and the sports photos for Lenoir-Rhyne collegiate sports were taken by Phil Robinson of SportsFotos, Inc. Some photos used were taken by the PR department at Lenoir-Rhyne and the rest were taken by Shane Budd, this year's editor. the cover is four process color embossed with matte black background, trim size of 9x12 encompassing ten sigs. The pages were created on a Dell OptiPlex GX 110 using PageMaker 6.5. The primary font used was Palintino with Times New Roman, and Bookend New as secondary fonts. Bill Hall was the representative of Jostens who assisted in the production of the book and Colleen Bump was the harrassing advisor. I would like to thank Dr. Russell Benton, and Jen, and James Marquardt-Leach for helping to proof the pages. This annual publication is sole property of Lenoir-Rhyne College and may not be copied in any way without the consent of the college.
